龍炎狼牙

Ryu-en Rouga

『にょたいかっ。』も今作で
4冊目となりました。
思いのほか永く続けられて
正直ビックリしています。

真中もこれだけ永いこと
女の身体で居続けたので、
女が板に付いてきたかもしれません。
そろそろ年貢の納め時かな?

女の身体になってしまった真中の
夢と、エロスの追求物語、第4弾!
今回は、真中(ホントは男)と羽瀬さん(ときどき男体化)の
カップルが周りの人々との間に引き起こす、
エロくて笑えてちょびりシリアスな物語です。
性別が入れ替わる"一人(しかも二異自合カップル)"を
とうぶん同僚の男女の視点から傍注目!
そんな中でもとくに、羽瀬さんとの
エロいシーンはちょっとオススメです。

なお、
状態に回復しても
胸は残ります。

Every woman pass though it

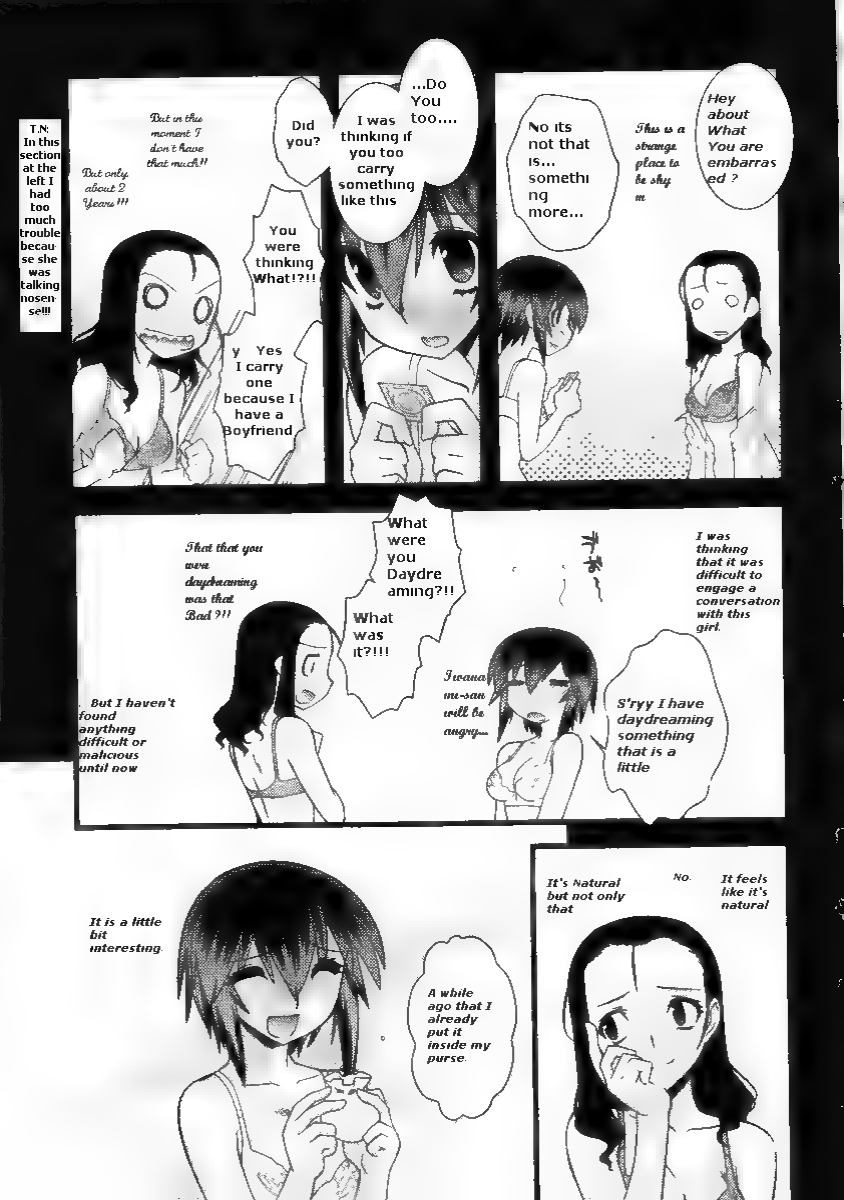
Yes! Thank you!
Please try to rest your body a little
Later I will come to check you ...
I will tell to the director what you have
That's because there are no internal female colleages close to Manaka
Why do I need to take care of Manaka? Why?
To take her long vacation term
Why Iwanami san suddenly leave

*Text above this is something like an explanation about the sex exchange between Manaka and Chihiro in the previous chapters (this is an aproximate of what I can read because the quality of the raws I can't read it at all)

For the time! From the symptoms that in can be derivable from a natural disease ! b
And also I have this stupid trio
She is sleeping Alone in the break room?!!
That is a too dangerous situation!!
WHAT?!!
Manaka is in bed In the break room ! Is that what you said?!
It's to bad yet?
The first day is heavy right?
Just a bit...
...And you are only at the halfway to finish...
Well What can i do about it? It can't be helped
Right until now
You "played" without "rubber", Didn't you?
That is given along with the napkin
This is
u Umm
Oh yeah
Keep this with you as well
That You already had "rubbers" even if you didn't buy napkins!?!
Or it can be!!
Certainly was that happened that I didn't carry but...
No But I am not availble like that. Right?
Uwauwaaa...



T.N: In this section at the left I had too much trouble because she was talking nosense!!!
But only about 2 Years !!!
But in the moment I don't have that much!!
Did you?
You were thinking What!?!!!
y Yes I carry one because I have a Boyfriend
...Do You too....
I was thinking if you too carry something like this
No its not that is... somethi ng more...
This is a strange place to be shy in
Hey about What You are embarras ed ?
That that you were daydreaming was that Bad ?!!
What were you Daydre aming?!!
What was it?!!!
I was thinking that it was difficult to engage a conversation with this girl.
But I haven't found anything difficult or malicious until now
Iwaana me-san will be angry...
S'ryy I have daydreaming something that is a little
It is a little bit interesting.
A while ago that I already put it inside my purse.
It's Natural but not only that
No.
It feels like it's natural

Ha?
Well I learn at once but
oh Right
can you Please remember how to put it by yourself?
Why Iwanami san takes care of this girl?
I think now I undestand why
Eh
EEhhh
They don't want to use the "gum", right?
Since the men don't like it with it
Lead me your head
now while squezzing the tip on the "gum"
with This fee ling
the First thing that you need is to increase the partner's thing
softly roll out the ring down
When it's hard enough
Then in a suitable way

Now its well done
Because if it is put on wrong it will cause harrasment
Now is your turn try to do it
NOOO! because I will do the practice alone
Try it!
that is wrong!
Hey you already saw me doing it now is your time
u u N ...
Make it sure that air don't collect inside
h n f
M n n F F
Yeah! Yeah! that is great!
While it is in your mouth it is feeling soo good!

Yes... just like that Slowly
And stay calm too
Do it slow because it can get entangled when You rush
Yes ... yes that's it
MMHF!
MNHFG!
... take this !
Ahahaha ha! yeah that was a gap
And with that this happens
I wonder why this defenseless girl causes me sore
Is it because men will become indeed shit around her ?
Ah haha ha fu fu fu

Don't tell me that this is what a girl feels when is being abused
It was like at the Start I was feeling like my pride was descending
until at the end I was feeling that my pride was even below the zero mark
Huh?
Well... It ... was ...
Yeah... well... Tell me.. How it was... How did it feels
Ah No I was talking like this to you long time before
Manaka-san this is the first time we talk like this,right? #
Ah.. that what was so..
Well ... Also ...
If a man forces you to do this even without the "gum" don't forget to use the teeth and bite !
Ye- Yes!-

Before she was speaking with the formal form of japanese but now she is talking in the "normal way" of japanese
But manaka even from the start she was speaking in the normal way that is why the answer of Manaka was negative

I wonder What happened?
... Just like I thought I have forgotten the most of it.
Today you taught me many things but today was not the time for me to learn freshly ...
surely I have hated this girl before but ...
But now takling to her feels like normal and easy

One year since then...

Manaka-san's Partner.
Until now I wasn't able to talk with you but i want to speak with you
Oh! Iwanami-san
Well... If she works over time also she will make me do overtime
Manaka-san said that she will re-upload it before the end of the day without her mistakes...
I was feeling that you only wanted to talk with me.. but
I wanted to try to be familiar with her ... Well with her pace that is like...
Previously I was having a feeling that you wanted to but...
Is not a bad girl
But
And that is need to be remebered, right?
Well... rather more se will be strange...
She is a mysterious girl, Isn't she? Manaka-san that is.

Sorry 'cause I finished it too late!!
really?
well I never thought that she was a bad person either
My memory is something iffy...
I don't remember when I started to think of her as weak ...
Surely ...
I wonder if I can understand... someday
Why Iwananmi-san is so accompained with someone like manaka?
But
